Building a stronger community together ~ mayberryfoundation.com/NightOut

The Mayberry Foundation has set aside this date for neighborhood fellowship. Each neighborhood is responsible for organizing its own party. Register your party by going to mayberryfoundation.com/NightOut. Your party MUST be registered so we know locations. After your party is registered, simply fill out appropriate details in the white space above. Let your neighbors know when and where and what to bring to the party. Slip it inside mailboxes or stick it on the front door of those in your neighborhood. The Mayberry Foundation asks that you refrain from blocking off streets, as it is illegal without a permit. The Mayberry Foundation is not responsible for injuries and/or damages during your party. Each neighborhood is in charge of its own party and assumes responsibility for the behavior of its participants. Any questions, email info@mayberryfoundation.com or connect with us on Facebook at [facebook.com/mayberryfoundation](https://www.facebook.com/mayberryfoundation).
